

FBCYICN CODE of CONDUCT!

1. NO Alcohol or Drugs: All Networking events are substance free.

This means no alcohol or illegal drugs are permitted at any time. If you have medications that you need to take during your time at the Fed event, these need to be turned into the lead First Aid person for the event for safe keeping. You will connect with the lead First Aid person whenever you are due to take your medication and a signature is required. This is a legally required process and intended to help keep you safe and protect the Fed from liability. All medication must be clearly labelled with your name and the name of the medication.

If you have medication that is non-prescription with you, you are welcome to ask staff to hold onto medication for safekeeping. If you are bringing medication, please make sure that it is clearly labelled with your name and the name of the medication.

Members are never permitted to share medication with others.

2. NO Sexual Intimacy: This means no sexual activity of any kind.

Please maintain and respect the personal boundaries of others. Hugging your friends is OK, just make sure they're comfortable with it!

3. NO Weapons: Please leave anything that might be considered a weapon at home.

If you think you may have something in your possession that could be used as a weapon, please turn it into a FBCYICN staff person immediately. Staff will decide if these items will be returned.

4. NO Violence: The FBCYICN has ZERO TOLERANCE for acts of violence.

This includes threats (written or verbal), bullying/intimidation or physical aggression.

5. NO Disrespect: Always treat others as you would like to be treated.

Racism, Homophobia, Harassment and Gossiping are not tolerated at networking events or at the FBCYICN office.

6. NO Room Visits: Please stay out of other people's rooms.

This is to respect the boundaries of all members. If you want to visit with a friend, make plans to meet with this person elsewhere at the event.

7. NO Leaving the Event Site: Please remain on-site for the duration of the event.

All members must get permission from a staff person before leaving the site, even if it is an emergency. This is to maintain safety and good participation at networking events. If you choose to go home early, please let FBCYICN staff know so they can help you to get home safely.

8. NO Cliques: Never purposely exclude others from group activities or conversations.

Members are encouraged to engage with all of their peers, especially newer members, during networking events.

9. NO Age-Exclusionary Establishments: Please stay out of areas that exclude minors (bars, clubs, etc).

This rule applies to everyone while participating at networking events.
