# Our Butterfly

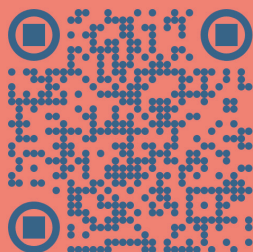

For youth leaving government care, the journey to adulthood is a time of great change and transformation.

## The Butterfly Represents:

- Personal growth and transformation
- Supports for youth leaving government care
- Solidarity with young people navigating their pathway from government care

Help us build a  
kaleidoscope  
of butterflies  
for youth in  
and from care

Want a chance to  
win \$50? Check  
out the Butterfly  
Contest on our  
website!
